

What is your Wastewater Averaging Period?

DID YOU KNOW?

Wastewater averaging is a way for you to save money. Wastewater averaging takes place during the late fall / winter months and determines a cap on the volume of wastewater you will be billed for each month for the next year.

WHERE DO I FIND MY WASTEWATER AVERAGING PERIOD?

1. Locate your BILL CYCLE NUMBER on your current water bill.

2. Use the bill cycle number from your bill and compare it to this [link](#) to determine your Wastewater Averaging Period 2020.
